Journal - [redacted] tive Counsel
Monday - 17 July 1978

22. [redacted] LIAISON Bill Miller, Senate Select Committee on Intelligence Staff Director, called indicating that the Committee would be meeting this afternoon to review the status of the [redacted] report and I told him that we would have the last remaining segment of our reclama to him before noon if at all possible.

23. [redacted] LIAISON Called Reed Boatright, in the office of Representative Clair W. Burgener (R., Calif.), and told him that after checking with our people it was my recommendation that we send an interim reply to the Children's Health Center in San Diego, California laying out the prior claims to the NOVA III computer which they wished to retain, but that we will lend every effort to be as reasonable as we can with Government equipment. I said it would have to be under terms which permit a recall by us on relatively short notice.

24. [redacted] LIAISON Tom Latimer, Staff Director, House Permanent Select Committee on Intelligence, called concerning the retention of NID's for the reading convenience of the membership. As an alternative to retention overnight I suggested that we set up the appropriately needed back copies with the current copies on a daily basis and the Committee staff could let us know when there was no further need for the back copies. All copies will continue to be returned to the Agency for overnight storage. This arrangement was acceptable to [redacted] and Latimer said he would check this arrangement out and get back in touch.

25. [redacted] LIAISON Called John Swanner, Staff Director, House Standards of Official Conduct Committee, to determine the Committee's reaction to the Director's letter. Swanner said that Chairman John J. Flynt (D., Ga.) has yet to hear from Deanne Seimer, DOD General Counsel. [redacted] will follow up with NSA to get Seimer to place the call.

26. [redacted] LIAISON Called Amber Scholtz, in the office of Representative Paul N. McCloskey, Jr. (R., Calif.), with reference to my suggested reply to Mr. McCloskey's letter of 8 June. She said that the Congressman has been on the run, does have it on his desk and either he or she will be back in touch with me on his reaction.
